

## PONY CANYON USA

First we would like to thank fans for their support of KUROMUKURO.

After the release of KUROMUKURO Limited Collector's Edition 01, due to a problem in the manufacturing process, disc label printing error was discovered where vol2 and vol.3 were mislabeled. We offer our sincerest apologies for this error. We are sending replacement discs to fans who purchased via RightStuf automatically. If you purchased it directly at a convention or other, we are offering a disc replacement program through RightStuf to ensure everyone can receive the corrected disc. Please follow the instructions on RightStuf to get your replacement disc.

Thank you for your patience and support in resolving this issue.
